

My Summer Holidays

Monolog(ue) to practice narratives of past actions and events – UK Spelling/Vocabulary

I **went** to Paris last August with my friend Lucy. We **went** by train. We **stayed** for five days in a small hotel in the **city centre**. The hotel **was** not cheap, but it **was** not expensive. Our room **was** OK -- it **was** old and dark, but very clean.

In the mornings we **visited** all the famous tourist sights and the most famous museums. The Louvre Museum **was** my **favourite**!

We **had** a sandwich for lunch in a park. In the afternoon we **walked** around the city. We **took** a lot of photos! Three days we **had** crepes! They're delicious!

After a nap and a shower, in the evenings, we **had** dinner in small restaurants and then we **went** to pubs or discos, or for a walk. We **visited** interesting places and we **met** very interesting people! We also **made** some good friends.

We **didn't buy** any presents. Everything **was** very expensive. But we **sent** very beautiful postcards to our friends.

We **had** a lot of fun! It **was** a fantastic holiday!

That's all!

(200 words)

Why is there a sentence in the present?
