### **My Painting "Women" for March 8**

Hi! My name is Rosa María Marfil Montañez.

This painting is called "Women" and I used oil paints, and a lot of love.

I donated this painting to *Coeducación*, this is, Education for Equality in English, to celebrate the I [First] Feminist Cultural Week at our school, EOI Fuengirola, a state-run language school in Spain, and also the 8th of March.

With this painting I want to transmit strength and hope to all women.
